

Refund Policy – Zoom & On-Line Courses

Refunds may be issued up to one week prior to the scheduled start date of the class if a student needs to cancel enrollment.

- A full refund will be provided minus a \$50 processing and handling fee.
- No refunds will be issued within one week of the start date. This means that once the class begins within seven days or fewer, the tuition is non-refundable.
- In place of a refund, families may transfer to a later available class at no additional charge, if they choose to do so.

For On-Line Driver Education courses, the course is considered to have officially started once the instructional materials and access information have been sent via email. At that point, the course is no longer eligible for a refund.
